

The ranked fifty, verdicts visible

Outlier = Nx that channel's own normal views-per-day (channel-normalized, so small channels compete fairly). ✓ qualifies for the avatar; ✗ rows stay in rank position, struck, with the reason — your read overrules any verdict here. 🏆 marks rows feeding a chosen bucket. Buckets: A Mechanism Waves · B Platform Shift · C Founder Proof Stories · D Operator Discipline · E In-Lane Supplement Ops · F Conversion Tactics.

Momentum (views-per-day trend) arrives with the next scan, spaced a day or more out.
