

Coach Cooz Physical Transformation Specialist: Ultra-Lean Implementation Guide

30-Day Launch Plan

This implementation guide provides a detailed, day-by-day roadmap for launching Coach Cooz's online transformation coaching business with a \$5,000 investment. The plan focuses exclusively on the essential activities needed to acquire the first 2-3 clients and achieve profitability within 30-45 days.

Week 1: Essential Setup (Days 1-7)

Day 1: Business Foundation

- Set up free Google Workspace account for business email
- Create essential folder structure in Google Drive
- Register for free Stripe account for payment processing
- Outline core transformation program structure

Day 2: Technology Setup

- Set up TrueCoach basic account (\$20/month) or free Google Sheets alternative
- Create Zoom free account for video coaching
- Set up free Calendly basic for scheduling
- Register for MailerLite free account for email marketing

Day 3: Client Materials

- Create core program welcome document
- Develop basic client assessment questionnaire
- Create simple client contract template
- Outline client onboarding process

Day 4: Simple Landing Page

- Register for Carrd.co account (\$19/year) or use free Google Sites
- Create minimal landing page with:
- Core transformation promise
- Brief coach bio and credentials
- Program overview
- Scheduling link for discovery calls

Day 5: Lead Magnet Creation

- Develop one high-value lead magnet (transformation assessment guide)
- Create simple opt-in page
- Set up basic email capture system
- Develop 3-email follow-up sequence

Day 6: Network List Compilation

- Create comprehensive list of all personal contacts
- Compile professional network connections
- Identify potential strategic partners
- Rate contacts by likelihood of interest/referral potential

Day 7: Network Outreach Preparation

- Craft personalized outreach message template
- Develop "founding member" offer for early clients
- Create simple referral incentive program
- Prepare discovery call structure and talking points

Week 2: Network Activation (Days 8-15)

Day 8: Personal Network Outreach (Group 1)

- Send personalized messages to 10-15 closest contacts
- Offer free transformation assessment calls
- Share lead magnet with personal note
- Follow up with any immediate responses

Day 9: Personal Network Outreach (Group 2)

- Send personalized messages to next 15-20 contacts

- Schedule any requested assessment calls
- Track all outreach and responses
- Begin preparation for discovery calls

Day 10: Professional Network Outreach

- Send personalized messages to 10-15 professional contacts
- Customize approach based on relationship
- Offer professional courtesy assessment
- Request referrals to potential ideal clients

Day 11: Social Announcement

- Create announcement post for personal social accounts
- Share lead magnet with compelling message
- Respond to all comments and inquiries
- Direct message interested connections

Day 12: First Assessment Calls

- Conduct 2-3 scheduled assessment calls
- Implement structured conversation framework
- Identify potential ideal clients
- Schedule follow-up discovery calls with qualified prospects

Day 13: Strategic Partner Outreach

- Contact 3-5 potential strategic partners
- Propose simple referral arrangement
- Offer reciprocal value
- Schedule partnership discussions

Day 14: Content Creation

- Develop 1-2 high-value content pieces
- Create shareable social media version
- Distribute to network and relevant groups
- Use as additional touchpoint with prospects

Day 15: Network Activation Assessment

- Review all network outreach results

- Identify most responsive segments
- Schedule additional assessment calls
- Refine messaging based on feedback

Week 3: First Client Acquisition (Days 16-23)

Day 16: Discovery Call Preparation

- Refine discovery call structure
- Create program presentation materials
- Develop objection handling framework
- Prepare enrollment process

Day 17: Initial Discovery Calls

- Conduct 2-3 discovery calls with qualified prospects
- Present transformation program
- Address questions and concerns
- Extend enrollment invitation to qualified prospects

Day 18: Micro-Ad Campaign Setup

- Create Facebook/Instagram ad account
- Develop simple ad creative (1-2 variations)
- Set up highly targeted audience (\$10/day budget)
- Implement conversion tracking

Day 19: Follow-Up System

- Develop follow-up sequence for discovery call prospects
- Create email templates for different scenarios
- Implement systematic follow-up process
- Schedule check-ins with warm prospects

Day 20: First Client Onboarding

- Complete enrollment process with first client
- Set up client in coaching system
- Schedule initial coaching session
- Deliver welcome materials and first assignments

Day 21: Conversion Optimization

- Review discovery call conversion process
- Identify improvement opportunities
- Refine presentation and enrollment approach
- Prepare for upcoming discovery calls

Day 22: Additional Discovery Calls

- Conduct 2-3 more discovery calls
- Implement refined approach
- Follow up immediately with prospects
- Schedule additional calls from new inquiries

Day 23: Ad Campaign Optimization

- Review initial ad performance
- Adjust targeting based on results
- Test new ad creative if needed
- Optimize for lead quality over quantity

Week 4: System Optimization (Days 24-30)

Day 24: Second Client Onboarding

- Complete enrollment process with second client
- Refine onboarding based on first client experience
- Deliver welcome materials and first assignments
- Schedule initial coaching session

Day 25: Client Experience Enhancement

- Develop additional support materials based on client needs
- Create check-in templates and processes
- Implement accountability system
- Refine coaching approach based on initial sessions

Day 26: Testimonial Collection

- Request initial feedback from first clients
- Capture early wins and positive experiences
- Create simple testimonial formats

- Prepare to incorporate into marketing

Day 27: Referral System Activation

- Implement formal referral request process
- Create referral incentives for existing clients
- Develop referral tracking system
- Schedule referral conversations

Day 28: Marketing Expansion

- Evaluate all marketing channels
- Scale budget for performing channels
- Develop additional content based on client questions
- Implement retargeting for engaged prospects

Day 29: Financial Assessment

- Review all expenses against budget
- Track client acquisition costs
- Project cash flow for next 30 days
- Prepare for father repayment plan

Day 30: 30-Day Review and Planning

- Assess overall progress against targets
- Identify key learnings and adjustments
- Develop 60-day growth plan
- Set specific targets for client acquisition and revenue

Days 31-60: Growth Phase

Key Priorities

- Acquire 1-2 additional clients
- Begin father repayment plan
- Optimize marketing for consistent client acquisition
- Develop additional content assets
- Refine client experience based on feedback
- Implement systematic referral process
- Expand strategic partnerships

Expected Outcomes

- 3-5 active clients by day 60
- \$2,250-\$3,750 monthly recurring revenue
- Positive cash flow of \$1,500-\$3,000/month
- First repayment installment to father
- Consistent client acquisition system
- Proven marketing channels identified

Implementation Checklist

Essential Technology

- ☐ Business email account
- ☐ Client management system
