

Coach Cooz: 2024-2025 PURPOSE BLUEPRINT

“Transform Your Body / Transform Your Life”

“Make The Brave Choice”

VISION — *This is our ideal world.*

We want to create a community in which people Make the Brave Choice without having to think about it. By consistently Making Brave Choices, we will redefine and elevate the average standard.

MISSION — *This is why we exist.*

We will model and develop Bravery by achieving physical and mental transformations.

VALUES — *A set of practices that define how we live and work. These values are the outpouring of who we are.*

1. **Bravery:** I will choose Faith over Fear and Make the Brave Choice **all the time**.
 2. **Compassion:** I will use my life experience, knowledge, and wisdom in order to use the appropriate lenses to provide the best service.
 3. **Discipline:** I will do as I say and do as I do. I will lead by example by **being** the example.
 4. **Equanimity:** I will always be intentional on making the effort on achieving and *living* in equanimity as much as possible by remaining composed through difficult situations.
 5. **Kaizen:** I will relentlessly pursue growth and improvement by finding a way to be 1% better than I was yesterday.

PRINCIPLES — *That which is universal, observable, and unchanging. Principles govern the outcomes of our actions and influence how we seek to live.*

1. **Patience:** All great things take time. We understand that the best way to transform ourselves and our clients is to do things the *right* way, not the fastest way.
2. **Communication:** Honesty is the best policy. We will *always* communicate the truth, even when it's hard or it doesn't want to be heard.
3. **Curiosity:** Ask questions. Show genuine interest in the wellbeing and livelihood of our clients. *Create art from the science of coaching.*
4. **Optimism:** Embody the best-case scenario. No matter how dark the path may seem, there is *always* a light at the end of the tunnel. We will be that light.
