

Coach Cooz: Content Calendar & Posting Schedule

Introduction

This document provides a comprehensive content calendar and posting schedule for Coach Cooz's lean marketing plan. The schedule is designed to maximize the impact of the \$25-\$50 daily ad budget on LinkedIn while leveraging organic content to build brand awareness, establish credibility, and generate leads. The calendar covers a 90-day period, with detailed guidance for the first 30 days and strategic direction for the following 60 days.

LinkedIn Paid Advertising Schedule

Week 1-2: Testing Phase

Budget: \$25/day (\$175/week) **Focus:** Initial testing of ad variations to identify top performers

Day	Campaign	Budget	Action Items
Monday	Launch Ad Set 1 (Michael)	\$25/day	Launch 2 ad variations targeting Self-Motivated Professionals
Tuesday	Continue Ad Set 1	\$25/day	Monitor initial performance metrics
Wednesday	Launch Ad Set 2 (Jennifer)	\$25/day	Launch 2 ad variations targeting Performance-Focused Achievers
Thursday	Continue Ad Set 2	\$25/day	Monitor initial performance metrics
Friday	Launch Ad Set 3 (Robert)	\$25/day	Launch 2 ad variations targeting Structured Lifestyle Enthusiasts
Weekend	Continue All Ad Sets	\$25/day	Allow ads to run through weekend for data collection

Week 2 Focus: Continue running all ad sets, collecting performance data. By end of Week 2, identify: - Top-performing persona ad set - Top-performing ad variations within each ad set - Initial CPL (Cost Per Lead) benchmarks

Week 3-4: Optimization Phase

Budget: \$30/day (\$210/week) **Focus:** Refine targeting and creative based on initial results

Day	Campaign	Budget	Action Items
Monday	Optimize All Ad Sets	\$30/day	Pause lowest-performing ad variations
Tuesday	Adjust Targeting	\$30/day	Refine audience parameters based on initial data
Wednesday	Reallocate Budget	\$30/day	Shift budget toward top-performing ad set (60% to top, 20% each to others)
Thursday-Sunday	Continue Optimized Campaign	\$30/day	Monitor performance with new budget allocation

Week 4 Focus: Continue optimization, test 1-2 new ad variations for top-performing persona. By end of Week 4: - Finalize core targeting parameters - Establish baseline conversion metrics - Identify top-performing messaging angles

Week 5-8: Scaling Phase

Budget: \$35-40/day (\$245-280/week) **Focus:** Scale successful campaigns, introduce new creative

Week	Campaign Focus	Budget	Key Actions
Week 5	Scale Top Performer	\$35/day	Increase budget for top-performing ad set, introduce 1-2 new creative variations
Week 6	Refine Secondary Personas	\$35/day	Optimize messaging for secondary personas based on learnings
	Test New Angles		

Week	Campaign Focus	Budget	Key Actions
Week 7		\$40/day	Introduce new messaging angles based on discovery call feedback
Week 8	Performance Review	\$40/day	Comprehensive performance review, prepare for next phase

Week 9-12: Expansion Phase

Budget: \$40-50/day (\$280-350/week) **Focus:** Expand successful approaches, test new offerings

Week	Campaign Focus	Budget	Key Actions
Week 9	Geographic Expansion	\$40/day	Test expanding geographic targeting beyond initial parameters
Week 10	Retargeting Campaign	\$45/day	Implement retargeting for engaged users who didn't convert
Week 11	Testimonial Integration	\$45/day	Incorporate initial client results into ad creative
Week 12	Full-Scale Optimization	\$50/day	Comprehensive campaign optimization based on 90-day data

LinkedIn Organic Content Schedule

Weekly Posting Framework

Posting Frequency: 3-5 times per week **Best Times:** Tuesday-Thursday, 8-9am or 4-5pm PT (test and adjust based on engagement)

Day	Content Type	Theme	Purpose
Monday	Motivational/Mindset	Weekly Brave Choice	Set tone for the week, inspire action
Tuesday	Educational	Transformation Tip	Provide actionable value, demonstrate expertise

Day	Content Type	Theme	Purpose
Wednesday	Engagement	Question/Poll	Generate conversation, understand audience
Thursday	Case Study/Result	Client Win (anonymized)	Build credibility, showcase results
Friday	Personal/Behind-the-Scenes	Coach Cooz's Journey	Build connection and relatability

Monthly Content Themes

Month 1: Foundation - "The Brave Choice" - Week 1: Introducing the Brave Transformation Philosophy - Week 2: Breaking Through Mental Barriers - Week 3: The Integration Approach to Fitness - Week 4: Sustainable Transformation Principles

Month 2: Transformation - "The Brave Process" - Week 1: The Science of Breakthrough Results - Week 2: Balancing Intensity and Recovery - Week 3: Nutrition for Busy Professionals - Week 4: Progress Tracking and Accountability

Month 3: Results - "The Brave Impact" - Week 1: Energy and Performance Enhancement - Week 2: Long-term Sustainability - Week 3: Life Integration Mastery - Week 4: The Ripple Effect of Transformation

Detailed Week 1 Content Plan

Monday: Mindset Post - Topic: "The Brave Choice: Why Transformation Begins with a Decision" - **Format:** Text post with professional image of Coach Cooz - **Key Message:** Discuss how transformation starts with making the brave choice to change, despite discomfort - **CTA:** "What brave choice are you considering? Comment below."

Tuesday: Educational Post - Topic: "3 Ways Busy Professionals Sabotage Their Fitness (And How to Fix Them)" - **Format:** Carousel post with 3-5 slides - **Key Message:** Address common mistakes (inconsistency, all-or-nothing thinking, wrong metrics) - **CTA:** "Which of these resonates most with you? Let me know in the comments."

Wednesday: Engagement Post - Topic: "Quick Poll: What's Your Biggest Fitness Challenge as a Professional?" - **Format:** Poll with 4 options (Time constraints, Energy management, Consistency, Knowing what works) - **Key Message:** Acknowledge common challenges and generate discussion - **CTA:** "Vote and share your specific challenge in the comments."

Thursday: Case Study Post - Topic: "From Burnout to Balance: How an Entertainment Executive Transformed in 90 Days" - **Format:** Before/after images (if available) or transformation story - **Key Message:** Share anonymized client journey focusing on both physical and mental transformation - **CTA:** "Curious how this approach might work for you? DM me or comment 'interested' below."

Friday: Personal Post - Topic: "Why I Created the Brave Transformation System" - **Format:** Video (1-2 minutes) of Coach Cooz sharing his story - **Key Message:** Share personal journey and mission behind the business - **CTA:** "What's your 'why' for transformation? Share below."

Instagram Organic Content Schedule (Optional)

Posting Frequency: 2-3 times per week + 3-5 Stories daily **Focus:** Visual content that complements LinkedIn strategy

Day	Content Type	Purpose
Monday	Motivational Quote/Graphic	Inspire and set tone for week
Wednesday	Transformation Tip Video (60 sec)	Provide quick, actionable value
Friday	Client Result or Personal Training	Build credibility, showcase expertise
Daily	Stories (Behind-the-scenes, Q&A, Tips)	Build connection and engagement

Content Creation Workflow

Weekly Content Creation Process

Day	Task	Time Estimate	Notes
Friday	Plan next week's content	1 hour	Outline topics, angles, and CTAs
Saturday-Sunday	Create content batch	2-3 hours	Write posts, design graphics, record videos
Sunday	Schedule content	30 minutes	

Day	Task	Time Estimate	Notes
			Use scheduling tool or manual scheduling
Daily	Engagement and response	30 minutes	Respond to comments, engage with network
Wednesday	Mid-week review	30 minutes	Check performance, adjust if needed

Content Creation Tools (Free/Low-Cost Options)

- **Scheduling:** Buffer free plan, LinkedIn native scheduling
- **Graphics:** Canva free plan, Adobe Express free
- **Video Editing:** CapCut (free), InShot (free version)
- **Content Ideas:** Google Keep or Notion for collecting ideas
- **Analytics:** LinkedIn native analytics, Google Analytics (for landing page)

Performance Tracking & Optimization

Weekly Review Process

Metrics to Track (Paid): - Impressions, Clicks, CTR - Cost Per Click (CPC) - Cost Per Lead (CPL) - Lead Quality (% that book calls) - Cost Per Discovery Call Booked

Metrics to Track (Organic): - Engagement Rate (comments, likes, shares) - Profile Views - Connection Requests - Content Reach - Post-by-Post Performance

Optimization Schedule

Timeframe	Action Items
Daily	Monitor ad spend and basic metrics
Weekly	Review ad performance, adjust budget allocation
Bi-Weekly	Analyze content performance, adjust content strategy
Monthly	Comprehensive review, test new creative/targeting

Integration with Sales Process

Lead Nurturing Workflow

1. **Lead Capture:** LinkedIn Lead Gen Form or Landing Page Application
2. **Initial Response:** Automated thank you + manual follow-up within 24 hours
3. **Discovery Call Scheduling:** Direct link to Calendly or similar
4. **Pre-Call Preparation:** Send reminder + brief questionnaire 24 hours before call
5. **Discovery Call:** Follow sales conversation framework
6. **Follow-Up:** Send personalized follow-up within 24 hours of call
7. **Conversion:** Enrollment in coaching program or appropriate next step

Content-to-Sales Alignment

- Ensure organic content addresses objections identified in discovery calls
- Use insights from calls to refine ad messaging and targeting
- Create specific content pieces for common questions/concerns
- Track which content pieces generate highest-quality leads

90-Day Implementation Roadmap

Month 1: Foundation (Weeks 1-4)

Objectives: - Establish baseline performance metrics for ads - Build initial content library (15-20 pieces) - Generate first 3-5 discovery calls - Identify top-performing messaging and targeting

Key Deliverables: - LinkedIn ad campaign structure implemented - Initial content calendar executed - Performance tracking system established - First client acquisition

Month 2: Optimization (Weeks 5-8)

Objectives: - Refine targeting based on Month 1 data - Optimize ad creative for top-performing personas - Expand content themes based on engagement - Increase discovery call volume by 30%

Key Deliverables: - Optimized ad campaigns - Expanded content library - Initial client testimonials - Improved conversion metrics

Month 3: Scaling (Weeks 9-12)

Objectives: - Scale successful campaigns - Implement retargeting strategies - Leverage initial client results in marketing - Achieve target client acquisition goals

Key Deliverables: - Fully optimized marketing system - Comprehensive performance report - Recommendations for next quarter - Achievement of 5-8 active clients

Conclusion

This content calendar and posting schedule provides Coach Cooz with a structured approach to implementing his lean marketing strategy. By following this plan, Coach Cooz can maximize the impact of his \$25-\$50 daily ad budget while building a consistent organic presence that establishes credibility and generates qualified leads.

The plan is designed to be flexible, allowing for adjustments based on performance data and client feedback. Regular review and optimization are essential to ensure continuous improvement and maximum ROI from the limited marketing budget.
