

Content Growth System Instructions

1. Download Claude Desktop app: <https://claude.com/download>
2. Sign-up for Sandcastles: <https://sandcastles.ai> (must have Pro, Visionary, or Titan plan to access MCP)
3. Connect Sandcastles MCP inside of Claude. Instructions: <https://help.sandcastles.ai/mcp>
4. Download skills (open each, press File -> Download, the skill file will be in your downloads folder):
<https://drive.google.com/drive/folders/1iVRwJ-rj0vf7SNA4l0Y4iu4xT4X4YO0D?usp=sharing>
5. Drag all skills into a new Claude chat, pick Fable 5, type “I want to run the Content Growth System. I am a [insert your profession/background] that wants to use content to [insert objective]” and let it rip.
 - a. Example: I want to run the Content Growth System. I am a plastic surgeon in LA (Dr. Kallaway) that wants to use content to drive leads and clients for my practice in”
 - b. All the skills are designed to build on each other automatically. Answer the questions it says. *Note: Certain steps in the workflow might take 30-60 mins to run as it deep analyzes videos in Sandcastles*
