Personalized Outreach Messages

D Ontra Hughes (CEO, North Hollywood)

Hi D Ontra,

Founders like you face a unique challenge: you need peak energy to lead, but rarely have time for complex fitness regimens.

I'm Coach Cooz, and I'm launching a premium 30-Day Fat Loss Challenge starting May 5th designed specifically for high-performers in North Hollywood who need results without the typical fitness BS.

My client Corey (head writer for "The Night Agent") said: "Acusio custom tailors every workout to maximize effectiveness, making each session super rewarding." He's maintained his results despite a chaotic production schedule.

This isn't generic fitness content. It's a high-touch program (\$397) with daily text support and weekly strategy calls that works specifically for those with unpredictable schedules.

Would you be open to hearing how this could fit into your life as a founder? I have 3 spots left.

Nami Matsuo (Senior Social Strategist, Glendale)

Hi Nami,

Creative strategists like you need mental clarity and sustained energy – but most fitness approaches don't account for the unpredictable demands of agency life.

I'm Coach Cooz, and I'm launching a premium 30-Day Fat Loss Challenge starting May 5th designed for driven professionals in Glendale who need results without sacrificing their creative edge.

My client Sam (who works in production) shared: "I have never been stronger and more diligent about my physical health in all my life. He takes into account your history and future goals and meets you where you currently are."

This isn't another fitness challenge. It's a high-touch transformation program (\$397) with daily text support and weekly strategy calls that fits into your unpredictable schedule, not the other way around.

Would you be open to a quick conversation about how this could work with your demanding role? I have 3 spots left.

Christopher Laughter (Director/Cinematographer, Pasadena)

Hi Christopher,

Production professionals know this truth: the physical demands of your work require strength and stamina, but production schedules make consistent fitness nearly impossible.

I'm Coach Cooz, and I'm launching a premium 30-Day Fat Loss Challenge starting May 5th specifically designed for entertainment professionals who need peak energy without cookie-cutter programs.

My client Buzz (Director of Photography for a major network show) said: "Cooz has provided exceptionally good advice and has me on the road to feeling stronger and better. I needed someone to understand my issues and build on that."

This isn't just workouts. It's a high-touch program (\$397) with daily text support and weekly video calls, designed to work with your production schedule, not against it.

Would you be open to hearing more about how this could help you sustain your creative energy on long shoot days? I have 3 spots left.

Kelly Hsieh (SVP, Lionsgate, Glendale)

Hi Kelly,

Senior executives face a harsh reality: the higher you climb, the less time you have for yourself – yet your role demands more energy than ever before.

I'm Coach Cooz, and I'm launching a premium 30-Day Fat Loss Challenge starting May 5th designed specifically for entertainment executives who need to maintain peak performance without time-consuming fitness routines.

My client Mike (former District Manager with 33 years of corporate leadership) shared: "Acusio will customize a workout routine based on your goals... and his friendly demeanor makes workouts fun."

This isn't a generic program. It's a high-touch transformation experience (\$397) with daily accountability texts and weekly strategy calls that integrates with your executive schedule.

Would you be open to a quick conversation about how this could help you maintain your edge in a demanding industry? I have 3 spots left.

Alex Schnulle (Director of Marketing, Glendale)

Hi Alex,

Marketing directors like you face a unique pressure: you're expected to be "on" all day while managing multiple teams and deadlines – yet finding time for fitness feels impossible.

I'm Coach Cooz, launching a premium 30-Day Fat Loss Challenge starting May 5th designed specifically for marketing professionals who need sustainable energy without complicated routines.

One of my clients, a senior creative professional, said: "Coach has provided the best trainer experience I've seen! The goals I've achieved excites me! I also love the workouts he's provided – although some were difficult they weren't straining."

This isn't another program to add to your to-do list. It's a high-touch transformation system (\$397) with daily text support and weekly strategy calls that fits into your marketing director life.

Would you be open to hearing more about how this could help you maintain peak energy for your teams? I have 3 spots left.

Lydia Colaresi (VP Digital Marketing, Burbank)

Hi Lydia,

Digital marketing VPs understand this reality: your brain is your asset, but the constant pressure of campaigns and metrics drains the energy needed for clear thinking.

I'm Coach Cooz from EnrichFit Gym in Burbank, and I'm launching a premium 30-Day Fat Loss Challenge starting May 5th specifically designed for marketing executives pursuing both career and personal excellence.

I noticed you're pursuing your MBA – my client Sam (also ambitious in her career) shared: "I can genuinely say I have never been stronger and more diligent about my physical health. He takes into account your goals and meets you at where you currently are."

This isn't another fitness program. It's a high-touch transformation experience (\$397) with daily text accountability and weekly strategy calls designed to fit the unpredictable schedule of a digital marketing executive.

Would you be open to hearing more about how this could complement your professional development journey? I have 3 spots left.

Michael Stern (Executive Producer, Warner Bros., Burbank)

Hi Michael,

Executive producers face a brutal truth: your energy directly impacts your productions, but the chaotic nature of your schedule makes consistent fitness seem impossible.

I'm Coach Cooz from EnrichFit Gym right here in Burbank, and I'm launching a premium 30-Day Fat Loss Challenge starting May 5th specifically designed for entertainment executives who need to maintain peak performance.

My client Corey (head writer for major TV productions) shared: "He custom tailors every workout to maximize effectiveness. Combined with creating diet plans to adapt to my weight goals, the result is a comprehensive program designed specially for what I'm hoping to get out of my fitness journey."

This isn't a generic program. It's a high-touch transformation experience (\$397) with daily support and weekly strategy calls that works WITH your production schedule, not against it.

Would you be open to a quick conversation about how this could help you maintain your edge in a demanding industry? I have 3 spots left.

David Chang (Director of Operations, Disney, Burbank)

Hi David,

Operations leaders understand this reality: your role demands mental clarity and physical stamina, but the constant pressure of execution leaves little time for self-care.

I'm Coach Cooz from EnrichFit Gym right here in Burbank, and I'm launching a premium 30-Day Fat Loss Challenge starting May 5th designed specifically for operations professionals who need sustainable energy.

My client Robin shared: "Coach Cooz is an absolute life changer! He doesn't just guide me in the gym, he encourages me to make brave choices both in my workouts and in life. His approach is holistic, focusing on physical and mental aspects of health."

This isn't another program to manage. It's a high-touch transformation system (\$397) with daily text accountability and weekly strategy calls that fits into your operations-focused life.

Would you be open to hearing more about how this could help you maintain the energy needed to drive operational excellence? I have 3 spots left.

Rachel Kim (VP of Development, NBC Universal, Studio City)

Hi Rachel,

Development executives face a unique challenge: your creative decisions require peak mental energy, but your networking and pitching schedule leaves little room for consistent fitness.

I'm Coach Cooz, and I'm launching a premium 30-Day Fat Loss Challenge starting May 5th designed specifically for entertainment executives who need to maintain high performance.

My client Mari (one of my most disciplined clients) transformed dramatically: "Within three months I went from 132 lbs to 148 lbs. Coach Bivona had me eat a set number calories. Explained when I needed more protein, carbs and/or fat. The results was phenomenal."

This isn't just another program to try. It's a high-touch transformation experience (\$397) with daily text accountability and weekly strategy calls that adapts to your development schedule.

Would you be open to a quick conversation about how this could help you maintain your creative edge? I have 3 spots left.

Debbie Liu (Director Product Development, LA, health background)

Hi Debbie,

Product development leaders with health backgrounds face an interesting paradox: you understand the importance of wellness, but leading development cycles often pushes personal health to the back burner.

I'm Coach Cooz, and I'm launching a premium 30-Day Fat Loss Challenge starting May 5th designed specifically for product leaders who value evidence-based approaches to fitness.

With your background in Public Health and Nutrition, you might appreciate what my client Carron (a competitive powerlifter) said: "Great Coach. Consistent with me and is willing to make adjustments due to my lifestyle. Gives great feedback week to week to keep track of my progress."

This isn't a generic program. It's a high-touch transformation experience (\$397) with daily accountability and weekly strategy calls built on sound nutritional and exercise science.

Would you be open to discussing how this could complement your product development expertise while advancing your personal wellness? I have 3 spots left.

Nick Martin (Marketing Director, Santa Monica)

Hi Nick,

Marketing directors with advanced degrees face a unique pressure: you're expected to deliver strategic brilliance daily, but the mental drain makes fitness consistency nearly impossible.

I'm Coach Cooz, and I'm launching a premium 30-Day Fat Loss Challenge starting May 5th designed specifically for high-achieving marketing professionals who need sustainable energy.

As someone who pursued an MBA with a 4.0 GPA, you might relate to what my client Jessica said: "He focuses on your strengths and pushes you to become better... Thanks to him I now lift heavier, have more knowledge, and feel so much more confident."

This isn't just another fitness program. It's a high-touch transformation system (\$397) with daily text accountability and weekly strategy calls that fits into the life of a driven marketing leader.

Would you be open to a quick conversation about how this could help you maintain peak performance? I have 3 spots left.

Jess Mah (Founder/Harvard MBA, LA)

Hi Jess,

Founder-executives pursuing advanced education face a brutal reality: your ambition drives you forward, but the physical toll of maintaining multiple high-performance roles is unsustainable without a system.

I'm Coach Cooz, and I'm launching a premium 30-Day Fat Loss Challenge starting May 5th designed specifically for high-achieving entrepreneurs who need a fitness approach that matches their ambition.

As someone pursuing a Harvard MBA while running a company, you might appreciate what my client Robin said: "Coach Cooz is an absolute life changer! His approach is holistic, focusing on the physical and mental aspects of health while integrating nutrition ideas that combine into a program that actually works."

This isn't just another fitness challenge. It's a high-touch transformation experience (\$397) with daily accountability and weekly strategy calls that scales with your ambition, not against it.

Would you be open to a quick conversation about how this could complement your already impressive trajectory? I have 3 spots left.

Robert Kiraz (CEO with multiple exits, Santa Monica)

Hi Robert,

Serial entrepreneurs understand this truth: each exit brings new opportunities, but maintaining the physical energy required for continuous innovation gets harder with each venture.

I'm Coach Cooz, and I'm launching a premium 30-Day Fat Loss Challenge starting May 5th designed specifically for entrepreneurial leaders who need sustainable energy for the long game.

My client Mike (33-year corporate veteran) shared: "Acusio is an exceptional trainer who will customize a workout routine based on your goals. He has numerous certifications and is constantly looking for opportunities to grow professionally."

This isn't a generic program. It's a high-touch transformation system (\$397) with daily text accountability and weekly strategy calls that fits into the unpredictable life of a serial entrepreneur.

Would you be open to a quick conversation about how this could help fuel your continued success? I have 3 spots left.
